**Dear Sir/Madam ,**

**I am writing to express my interest in the [specific position] at [Company's Name], as advertised on [where you found the job listing]. With a robust background in artificial intelligence and data science, I am eager to bring my skills and experiences to your esteemed organization.**

**During my internships, I have successfully implemented cutting-edge machine learning models and developed efficient data processing solutions. At RBG.AI, I achieved a 95% accuracy rate in text recognition tasks by implementing LLAMA2 and PyTorch. My tenure at Lifease Solutions saw a 50% memory reduction and a 400% throughput increase through advanced denoising models. At TactLabs, I engineered Streamlit UIs, developed an AI-powered hotel management bot, and led a 10-member team, boosting productivity and project delivery speed. These experiences have honed my technical skills and ability to drive impactful projects.**

**Certifications:**

- Microsoft Azure DP-600**
- Microsoft Azure AI-102**
- IBM Data Science Certification**
- Certificate of Business Intelligence using PowerBI - EY**
